E. REASONS SUPPORTING OBJECTIONS(S): Water right no. 37-02787 is a
licensed water right with a priority date of June 30, 1947. Although the beneficial use

exam documents the diversion of water for wildlife storage in Star Lake, for some unknown reason the license does not explicitly describe storage as a purpose of use or set out a quantity in acre feet. To ensure the use and quantity of water beneficially used is accurately described in the partial decree, the IDFG requests permission to file an amended claim based on beneficial use with an advanced priority date of July 30, 1948, one day after the date of the beneficial use exam. A motion to file an amended claim is being filed along with this objection.
