RE: Amended Claim 94-7049

Dear Mr. Maxey:

Enclosed herein please find the executed Amended Claim (the format you forwarded to me under date of March 13, although the signature pages were already executed by my client and therefore attached). I have also enclosed an extra copy together with a self-addressed/stamped envelope for you to return to me indicating that it has been filed. I appreciate your consideration and cooperation in this matter, as does the District.

As to the Application for Additional Water Rights, I will be reviewing and completing that application after a brief sojourn, and it is likely it will be towards the end of April that that application will be submitted on behalf of the school district.

Again, thank you for your attention and consideration in this matter, it has been a pleasure to work with you.

Sincerely,

*Dictated but not read by Mr. Dodson to
expedite delivery*
