Re: Amended Claim 94-7049 & Water Right Application for Permit for Kellogg Middle School

Dear Mr. Dodson:

Please note that the Amended Claim 94-7049 form sent to you by IDWR for the Kellogg Middle School contains an error in the legal description for the well and place of use. The correct well location according to the map supplied by the District with the original Claim is in Township 49 North instead of Township 48 North. This is corrected for the well location and place of use by the enclosed Amended Claim 94-7049 for signature.

Enclosed is the Application for Permit form and Instructions that you requested for the Kellogg Middle School by letter on March 11, 2104. The District should contact Eric Davis at the above address to review the Application for Permit for the Middle School.

Please contact Eric at (208) 762.2800 for assistance on the Application for Permit. I can be reached at (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
