Affidavit

I, Hazel White, hereby testify that the waters of Shep Creek have been used at the rate of one (1) inch of water per acre to irrigate fifty five (55) acres of the following described land, to-wit:

Lot eight of Section nine and Lot five of Section eight in Township fifteen north of Range twenty east of the Boise Meridian.

Said waters have also been used at the rate of 0.04 cfs for stock water on the land described above.

Said waters were first used April, 1912.  
Because the flow of water in Shep Creek has decreased, diversion of this water right is not practical at the present time.

RE: Evidence of Priority

**\*RESPONSE DEADLINE\***

**MAY 1, 1992**

\*\*\*\*\*

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. **The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, proof must be provided supporting the priority date you have claimed.**

**The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.**

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by **May 1, 1992**, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

Allen Merritt, P.E.

RE:

**SF5 ON 72-04173**

He called to ask about the SF5 and the changes he requests for the POU and POD... I agreed to change the POU and recommend only the private lands in SWSW of section 9 and drop the land in SESW.

I will send him maps of the POD for the stock use. It is based on the claim map and my exam of the area. He says it is in the NENW of section 16.

He will call back next week to advise me of his decision.

He asked me about the splitting of the domestic use on the part A claim... I told him I would need to look at the file, I didn't remember the details of the file. He wants the file split to give the Domestic use a 1911 priority date.
