Re: 91-7634

Dear Mr. Masterson:

On November 3rd you submitted a claim for using water from a well and two natural springs with a date of priority of April 13, 1973. The right for using water from a well has been developed. After Mar 20, 1971 the only way to develop a right from springs is to file an application for a water right. We will recommend the right for the use of water from the well.

Sincerely,
