Dear Mr. Foxworth:

We have reviewed your Notice of Claim and the Application for Permit. It is our understanding that you are getting your domestic water from a well and you are irrigating 2 acres of land from a stream. We have completed a Notice of Claim and an Application for Permit.

The Notice of Claim is for the domestic use from the well. Would you please review the claim, make any changes and sign it on page 2. The filing fee is \$25.

The Application for a Permit is to take water from the stream and irrigate 2 acres. Please review the application, make any changes and sign it on page 2. The filing fee is \$100.

You paid \$77 on January 7, 2011, so that balance is \$27.

Please return the claim, application and the payment to our office.

Thank you,

Kenneth Knoblock
Water Right Supervisor

Dear Mr. Foxworth:

We received your Notice of Claim and application for a permit. We made a gross error in calculating the fees. The balance owed should have been \$48 instead of \$27 so the new balance due is \$21. Please accept our apologize for the error.

Sincerely,
