Hecla Limited
6500 Mineral Drive Suite 200
Coeur d'Alene, ID 83815

We have received the following claims on a water system that diverts water from a stream in Bell Gulch. The claims are based on a water right that has an identification number of 94-4189 which listed the diversion of 0.24 cfs of water.

94-4189 Hecla Limited for .24 cfs
94-9106 Ron Willhite for 0.06 cfs
94-9107 Richard Wernel for 0.04 cfs
94-9108 Jeffrie Teupel for 0.04 cfs

As you can see the claims are for more water than the original water right. Is there an agreement or contract regarding the operation of the system?

Sincerely,

Kenneth Knoblock
Water Right Supervisor
