

95-15503 & 95-15504

4-2-14

This place was purchsed in 1934
to Edith & Frank Renner and
Wendell Renner purchsed the property
from his mother approximately
late 1940 or early 1950s. The springs
and old well were there & in
use. I moved there in 1962
& we still used the spring & well.
