Dear Claimants:

Idaho Department of Water Resources (IDWR) is planning to conduct water right Field Examinations in the vicinity of your CSRBA Claim during May 2014. The Examination is required for the Department to verify the elements of your Claim and prepare an accurate recommendation to the CSRBA Court concerning your Claim.

Please contact me prior to **May 20, 2014** to schedule a Field Exam at your property to include the water system point of diversion, and pipes, storage tanks, equipment, etc., that deliver water to your property. Please be advised that a person who is familiar with your water system must be available to operate the system under normal conditions during the Field Examination.

I can be reached at (208) 762.2800/2816 if you have any questions.

Respectfully,
