Re: 94-8083

You filed a claim on the property at 13704 S Cataldo Dr. and listed the water right number as 94-7151. John and Irma Pickard also filed a claim on that right. We assigned your claim the identification number of 94-8083. Kootenai County indicates that your home was probably built in 1978. If that is the case, then a beneficial use right was established with a priority of 1978 and you can change the priority to that date and return the claim to our office.

Sincerely,

Kenneth Knoblock
Water Right Supervisor
