SUBJECT: LATE AJ CLAIM ON UNCLAIMED LICENSE
phone call (.) walk-in (X)

He filed a late claim on this License which so far had gone unclaimed. I checked on ML3 and his name didn't show up, but the previous owner, Ken Doll, did. Mr. Majors said he always knew he had water but didn't know there was any official right and Mr. Doll had never mentioned it nor did his deed. The secretary for the Challis Irrigation District, Melissa DuBois, was the one who told him there was a right. When another WR Agent in this office tried to find this right in a place of use query, it didn't show up. Seems it was licensed in the NESW of Section 16 but on the map it looks like the SESW of 16. (It is relatively close to the dividing line.) For these reasons, I would recommend the late fee be waived in this instance...
