She wanted to see what I had found on the claims we had discussed during our NOE meeting in Challis... she had received the claim 72-07424 but not the 72-07014. I told her the recommendation for 7014 and the differences from the claim. Only use found was a domestic use; ½ acre irrig., stockwater and other small uses assoc. with the lot and shop. If they have further evidence I need to see feel free to send it in ASAP. She would discuss it with her husband. She was satisfied with everything else. Claims: 72-07044, 72-07423, 72-07424 & 72-07014.
