RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-7658

Dear Claimant(s):

The Idaho Department of Water Resources (IDWR) has completed initial processing of adjudication claim 94-7658 that you filed. A review of your claim indicates domestic use from a groundwater source and stock watering directly from a stream. In order to claim both uses from different sources, separate claims will need to be filed.

You may amend the claim that you have already submitted to reflect one of the uses being claimed, and then file an additional claim with the appropriate filing fees, for the other water use.

If you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

Lori Harris
Technical Records Specialist 2
Adjudication Section

will use groundwater only as the source.
