State why an extension of time is requested, explaining how a diligent effort has been made to meet the deadline:

We, (my wife Veronica and myself) do hereby formally dispute the false and misconstrued findings that Whomever came up with the Adjudication for our rights #65-3002 f and #65-3237 f, as well as the findings of a misrepresentation to a map of Warm Spring Diversion. Our water-rights are grandfathered in. We have owned these water-rights 1987 before this questionable office for Adjudication appeared. We knew nothing about such things going on until a meeting with IDWR Mr. Westra, on a connected case. We vehemently dispute that {any person who lives east-side of Middlefork Rd. have NO legal conduit or conveyance on or over our property or have, any such claims to our legal water-rights or dispersment.

Claimant requests an extension to open ended, because of legal ongoing case involving this dispute, 20__
