SUBJECT: Notice of Claim Number 95-15122

Dear Ms. Bailey:

Enclosed is a copy of your Notice of Claim to a Water Right which is numbered 95-15122, along with an information sheet for water right research using our website.

I'm also enclosing an application for permit, with instructions, should you need to file a permit for an irrigation usage. The permit system for establishing a water right became mandatory for uses developed from ground water after March 25, 1963 (except for domestic purposes as defined by Section 42-111, Idaho Code), and for uses developed from surface water after May 20, 1971 (except for watering stock directly from streams).

Please feel free to contact me if I can be of further assistance. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent
