Re: Well & Ownership Change for Coeur d'Alene-Spokane River Basin Adjudication
(CSRBA) Claim No. 95-12043

Dear Mr. Reddemann OR Mrs. Reddemann:

Idaho Department of Water Resources (IDWR) has reviewed and processed your ownership change for CSRBA Claim 95-12043. Thanks for your prompt response.

Please contact me about the well serving your property after you have reviewed the enclosed map, Well Driller's Report (tag D0017537) and Seco Financial Group document. IDWR must determine if D0017537 is the correct well, whether the well is shared with other subdivision parcels, and if the well location reported is accurate.

My phone at the Idaho Department of Water Resources Northern Region office is (208) 762.2816. Please contact me if you have any questions.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent

Re: Cour D' Alene Country Estates Covenants, Conditions, and Restrictions

Dear Orville:

Due to the insolvency of the Declarant, Rick and Nancy Hurd, and our subsequent foreclosure of the property 9 of the eleven lots encumbering the Cour D' Alene Country Estates we view the association defunct.

If at a later date the association is viewed to be a going concern, we have over a two-thirds majority in the association so we can make changes to the declared covenants.

Seco Financial Group, Inc. deems what you want to do to the property as acceptable including putting up a electronic gate on your private section of the road, paving your private road, putting a fence around your property, and cutting down trees on your property that you deem as necessary. Seco Financial Group, Inc. will hold you harmless and defend you in any lawsuit that may arise whereby you are a defendant against the Cour D' Alene Country Estates.

NOTE: PLEASE SEE ATTACHED LEGAL DESCRIPTION

Sincerely,

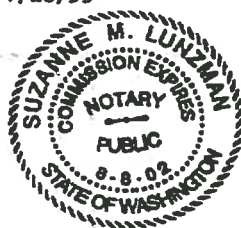

Brent D. Connell

-Its President
