Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-10226

Dear Mr. Lindberg:

Enclosed is a copy of your Notice of Claim number 95-10226 filed for your domestic usage from a well, for which we discussed the quantity claimed in our phone conversation of April 24, 2014.

To amend the quantity from 0.03 cubic feet/section (cfs) and 0.02 cfs (see items 6 and 7) simply cross out and add in the corrected amount. This is usually 0.04 cfs (18 gallons/minute) which is the average for lawn and garden irrigation of ½ acre or less and in-house usage. Please be sure to initial and date any changes and sign under item 15.

I would appreciate it if you would return this information as soon as possible as I'm currently in the process of completing the recommendation for decree in the CSRBA. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Linda Werner".
