RE: Evidence of Priority

RESPONSE DEADLINE

MAY 1, 1992

Dear Claimant:

The Notice(s) of Claim identified with the number shown above your name on the mailing label has been filed in the Snake River Basin Adjudication (SRBA). The Notice(s) indicate your water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. **The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. The Department will soon conduct reviews &/or field exams for the claims in your area. Since the priority date of a beneficial use water right can not be confirmed by field examination, proof must be provided supporting the priority date you have claimed.**

The Department will not recommend the Notice(s) be decreed by the court as claimed if no evidence of a priority date is submitted.

Please find enclosed a computer printout of your Notice(s) and the pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

Please submit the required evidence supporting the priority date(s) by **May 1, 1992**, referencing all documents with the corresponding Notice number(s). If you have any questions not covered by this letter or the enclosed pamphlet, please contact this office.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read 'Allen Merritt'.

RE: SRBA Claims A72-10082 & A72-10094

Dear Claimant:

Pursuant to our phone conversation this day I have prepared amended claims to correct the data entry error made when you initially filed the claims. Please find enclosed these amended claims for your review and signature. If they are correct please sign them before a notary and return them in the enclosed envelope.

Regarding the evidence of priority earlier requested you will not be required to submit it since these claims are being amended to domestic use only.

If you have questions please contact our office.

Sincerely

RE: A72-10082 & A72-10094

Dear Harriet Magee:

I am in receipt of your recent letter in which you submitted a bill to the Department for \$9.44 to compensate you for your efforts to correct apparent errors on your original claims referenced above. I sense your frustration with this matter and sympathize with your feeling. However, I must inform you that the Department will not reimburse you for your expenses to correct your claims.

It is my opinion that to satisfactorily conclude this matter you should return your notarized amended claims; however, as an alternative you may consider deferring the filing of these claims since they are essentially domestic in nature. If you choose to defer the claims and obtain a refund of your filing fees please complete the enclosed form and return it to our office.

Sincerely,

Department of Water Resources

Dear Kelly,

I talked to Jeannie R. about our Garden Creek water right, its accuracy, and she said I needed to write IDWR with our address change. So, I'm writing you, since you were involved here (so many years ago!). Our new Box number is 555, if you would please correct that & let others know. Also, our block number here is 73, not 75, and Jeannie

I think, read to me over the 'phone something about block 75. I'm not sure if that's really what I heard, or if it matters, but you might want to note that.

Thank you!

Sincerely,

Harriet Hender
