RESPONSE DEADLINE
DATE: MAY 22, 2014

Dear Mr. Stommes:

I am forwarding to you a data-entered copy of your Notice of Claim. We have interpreted the data from this claim in a manner that we feel more accurately reflects the true status of this Claim. We used the properties' parcel number, as listed under item 9 on the original claim, to modify the legal description shown under items 4 and 9 and completed the usage and quantity based on domestic usage, shown under item 6. I have enclosed a map which shows your home with the legal description, which you may use to verify that the information is correct.

Please review the enclosed claim to assure this modification is in agreement with the claimed water use. If you make any changes, please initial each change, than sign the claim under item 15 and return to us at the address shown above. Feel free to contact me if you have any questions. I can be reached at (208) 762-2802.

Sincerely,

A handwritten signature in cursive script that reads "Linda A. Werner". The signature is written in dark ink and is positioned above the printed name and title.
