Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94- 8462

Dear Claimants:

Idaho Department of Water Resources (IDWR) has reviewed your CSRBA Claim for Domestic and Irrigation use. The Claim calls for use of a spring and Deer Creek for Shoshone County parcel. RP48N03E082600). Your CSRBA Claim has been assigned identification No. 94-8462 and a copy is enclosed.

Please review the enclosed material and contact me about amending your Claim. Water Right 94-4060 appears to be applicable to your property and Deer Creek is not a named stream appearing on the standard U.S. Geological Survey map of your area. Information is needed from you before IDWR can send you an Amended Claim for signature.

My telephone number at the IDWR Northern Region Office is (208) 762.2816.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
