AFFIDAVIT OF NORMAN L. McCALL
IN SUPPORT OF ST. MARIES
DEVELOPMENT COMPANY, LLC
ADJUDICATION CLAIM
)

STATE OF IDAHO)
County of Benewah) ss.

The undersigned, being duly sworn upon oath, deposes and states as follows:

1. My name is Norman L. "Bud" McCall. I was born in 1936 in Emida, Benewah County, Idaho and have resided in Benewah County, Idaho my entire life. I graduated from St. Maries High School in 1954 and have served as a Benewah County Commissioner since 1976.
2. I am familiar with the property currently owned by St. Maries Development Company, LLC. To the best of my recollection, this property was always used as a log landing for various timber companies.
3. Back in 1960, I was employed by an outfit called Ryan Tie Company. Ryan Tie was later sold to Atlas Tie, who did business as Fernwood Tie Company. I owned my own truck and I was employed to haul logs to this log landing, usually from the Floodwood area. I hauled to this log landing until 1975 or 1976. For some reason during this time, I thought Diamond Match owned the log landing, because we were hauling logs for Diamond. However, I have been informed that Ling Moe was the owner until sometime in the 1960s. Later, the log landing was owned by Idaho Forest Industries and we still refer to it as the IFI Landing.

4. I have personal knowledge that prior to and in 1960, water was pumped from the St. Joe River to water the landing for dust control, to water the logs stored on the landing, and for dust control on the St. Joe River Road, which was not paved. Diamond had a water truck that was used for this purpose, and it is now owned by Jack Buell.

DATED this 29th day of May, 2014.
