RE: CLAIM A72-10155

Dear Ms Salstrom:

IDWR is moving toward filing a Director's Report for domestic and stockwater claims in your area. During our review of claims to be included in this report it was noticed that a change of ownership for the above claim has not been completed. In 1995 this office requested (copy enclosed) that you have your signature notarized and the form returned, we have not received this document. I have enclosed a copy of ownership change form for your signature and return. IDWR must receive your original signature before we can complete the ownership change process. **Please return the form at your earliest opportunity and before MARCH 14, 1997.**

Please be advised that if we do not receive this submittal the claim will be recommended to Banta. If correspondence sent by IDWR or the Court is not delivered (returned to IDWR or the Court) you may miss an opportunity to participate in the adjudication and ultimately receive a decreed domestic use water right. Idaho Code requires that new owners provide adequate ownership documentation to keep IDWR records current.

If you have any questions please contact us.

Sincerely,

Douglas Jones, P.E.

It is my understanding that a copy of the instrument of transfer will adequately compensate for the lack of a signature of the new owner. I have revised the documents to reflect that the proof of ownership is attached with respect to each of the above referenced documents.
