Re: Amended Claim for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA)
Identification Number 94-7370

Dear Claimants:

Please find enclosed a copy of your original CSRBA Claim and map, a CSRBA Claim on License 94-7370 received on June 27, 2011 and a copy of License 94-7370. Idaho Department of Water Resources (IDWR) has designated the Claim you provided to us on June 27, 2011 as Amended Claim 94-7370.

Please be advised that the surface water source shown on your License (94-7370) is incorrect. The river at your place of use has been designated as the Coeur d'Alene River instead of the North Fork of the Coeur d'Alene River. This will be corrected in the Recommendation that IDWR makes to the Court for your Claim.

I can be reached at (208) 762.2816 if you have questions.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
Idaho Department of Water Resources, Northern Region
