Memorandum For Record

Re: Forest Service special use permit affecting Coeur d'Alene – Spokane River Basin
(CSRBA) Claim 91-7567 / 91-4108

I telephoned Mr. Joe Holzinger at (208) 765.7279 at the U. S. Forest Service (USFS) Idaho Panhandle National Forest Supervisor's office during October 2012 to inquire about a cabin and pond claimed on CSRBA Claim 91-7567. I contacted Mr. Holzinger after being referred to him by the St. Maries USFS office. This claim has been amended to change the basis of claim to Statutory Claim 91-4108.

Mr. Holzinger and I discussed a building and pond visible on the Marble Mountain USGS 7.5 Minute Quadrangle map. The building and pond are shown just outside the private property boundary on the map and are the only building and pond shown in the immediate area around the private property (Shoshone County tax Parcel RP44N03E169100). Mr. Holzinger told me that there are no special use permits in that area.
