RE: Notice of Claim to a Water Right Nos. 95-9074 & 95-16793

Dear Johnno & Wendy,

Per our phone conversation, I have enclosed for your review and signature the Notices of Claim to a Water Right for 95-9074, irrigation and fire protection, and 95-16793 domestic use.

95-9074 will require an additional \$30.00 filing fee, and \$25.00 filing fee for 95-16793. I have also included the Request for Extension of Time to be completed for 95-9074. Approval of this extension voids any late fees that would normally be required to file this claim.

Please sign these claims and return to us with the \$55.00 filing fees and completed Request for Extension of Time, in order for us to complete the review and recommendation of your water rights.

If you have any questions regarding these claims, please do not hesitate to contact our office.

Sincerely,

Lori Harris
