RE: Snake River Basin Adjudication

Dear Mr. Jones:

10225 - Netta

Please find enclosed proof reports for the water rights listed in your name in our water rights records. These water right proof reports are the ones in which the numbers are highlighted in red. As you may recall I told you that I could generate completed claim forms from our records however after reviewing the records it appears that the acres irrigated are not listed on many of the rights so I was not able to generate the claims as I previously indicated. Please note however, the proof reports should aid you in completing the forms which you were provided when we met in Challis.

Please also find enclosed two proof reports for claims already filed by Netta Jones in the adjudication. These proof reports are the ones in which the numbers are highlighted in blue. Netta's claims are based on two of the rights in which your name appears.

If you need further assistance in filing your claims I suggest that you schedule an appointment with either our office or the Idaho Falls office.

Sincerely,

Allen Merritt
Water Rights Supervisor

RE:

Basis of Claim

POOR ORIGINAL

NAME OF PARTY: Netta Jones.

Called this date to clarify her wishes for the stock water use (in-stream vs division via ditch)

She asked that I contact her son-in-law
Dale Hammond home # 378-9735
work # 386-6526

She wants him to give her advice as to how to claim the right.

12-15-93

Called home # & discussed the use with her daughter.
She indicated that they probably would claim it as
in-stream rather than division from. She asked me
to call back tomorrow morn & talk to her husband
at his work.

12-16-93

Talked to Dale Hammond. He stated that his
preference is for in-stream use for the livestock use.
We also discussed the additional acres. He accepted
my recommendations. He indicated that once the
P/U gets 'charged' then a portion of the P/U becomes
swampy & doesn't require irrigation.

CONVERSATION MEMO

FILE: A72-10225AGENT: KKCDATE: 12-15-93

RE:

Basis of Claim

NAME OF PARTY:

Netta Jones.

Called today to clarify her wishes for the stock water use (in-stream vs diversion/ditch)

She asked that I contact her son-in-law Dale Hammond home # 378-9735

work # 386-6526

She wants him to give her advice as to how to claim the right.

12-15-93

Called home # & discussed the use with her daughter. She indicated that they probably would claim it as in-stream rather than diversion from. She asked me to call back tomorrow morn & talk to her husband at his work.

12-16-93

Talked to Dale Hammond. He stated that his preference is for in-stream use for the livestock use. We also discussed the additional acres. He accepted my recommendation. He indicated that once the P/U gets 'charged' then a portion of the P/U becomes swampy & doesn't require irrigation.
