AGENT: KKC

DATE: 12-15-93

RE: Basis of Claim

NAME OF PARTY: Netta Jones.

Called this date to clarify her wishes for the stock water use (in-stream vs diversion via ditch)

She asked that I contact her son-in-law Dale Hammond home # 378-9735

work # 386-6526

She wants him to give her advice as to how to claim the right.

12-15-93

Called home # & discussed the use with her daughter. She indicated that they probably would claim it as in-stream rather than diversion from. She asked me to call back tomorrow morn & talk to her husband at his work.

12-16-93

Talked to Dale Hammond. He stated that his preference is for in-stream use for the livestock use. We also discussed the additional acres. He accepted my recommendations. He indicated that once the P/U gets 'charged' then a portion of the P/U becomes swampy & doesn't require irrigation.
