

I described how the pro-rata amounts of the decreed rights are a more accurate split of the water. I told him the COO form contradicts the 6" number he read to me; it lists 4". Due to the ambiguous numbers supplied by the parties and lacking any statements within the deed itself I told him I will split the rights as decreed and appurtenant to the lands. If anyone disagrees with the results they can bring in the support to their arguments later.

RE: Herrick Claims in Basin 72

Dear Mr. Feldman,

Enclosed are the documents we have discussed by telephone over the past week. Here is a brief recap of what is enclosed.

A72-04161B & A72-16497A Copies of the SRBA claims and parts of the change of ownership forms and letters.

A72-10367, A72-10372, A72-07071 & A72-10279 The first three have been partially decreed and the last is still listed as a preliminary report. I will follow-up on this last right to be sure it is submitted for the final Director's Report in late January 1999.

A72-00244A, A72-00145, A72-00246 & A72-00247 I have enclosed a draft map of the place of use review. It shows the actual acres as found by the GIS program and they are circled in pink.

A72-02035 This claim was disallowed and I have supplied you with a GIS overview map showing the claimed place of use. I have also included a copy from the file showing my field notes of the claim from 1993.

Finally, I have a question for you. I am processing another change of ownership request for the rights on Squaw Creek; A72-00134A, A72-16497A & A72-04157. The request comes from Paul & Sharon May and appears to be complete enough to finalize the actions. This will result in a split of all the rights previously listed and will be completed before the final Director's Report. Do you have the information on this action? I have sent copies of the basic forms. I

am planning on splitting the rights proportionately as they are reported in the preliminary report. Let me know if this is not correct.

Feel free to contact me if you have further questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Clelland". The signature is fluid and cursive, with the first name "Steve" and last name "Clelland" clearly distinguishable.
