FIELD EXAM NOTICE

RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-9095

Dear Mr. Stinson:

Idaho Department of Water Resources (IDWR) is planning to conduct water right field examinations in the vicinity of your CSRBA claim during July, 2014. The examination is required for the Department to verify the elements of your claim and prepare an accurate recommendation to the CSRBA Court concerning your claim.

Please contact me prior to **July 3, 2014** to schedule a field exam at your property to include the water system point of diversion, irrigated/domestic/stock water use area, and pipes, storage tanks, equipment, etc., that deliver water to your property. Please be advised that a person who is familiar with your water system must be available to operate the system under normal conditions during the field examination.

I can be reached at (208) 762-2800/2802 if you have any questions.

Sincerely

Linda A. Werner
