FIELD EXAM NOTICE

RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 94-4025

Dear Mr. Cochrane:

Idaho Department of Water Resources (IDWR) is conducting water right Adjudication Field Examinations in the vicinity of your CSRBA Claim (94-4025). Claim 94-4025 was filed for use on Kootenai County parcels 49N01E-19-6100 and 49N01E-19-6800.

Please contact me as soon as possible to schedule a Field Exam **before July 31, 2014** at your property. The Examination is required for IDWR to verify the elements of the Claim and prepare an accurate recommendation to the CSRBA Court on the Claim. Please be advised that a person who is familiar with the water uses claimed and your water system must be available to operate the system under normal conditions during the Field Examination.

Please review the enclosed CSRBA Claim and the copy of the original claim 94-4025 completed in 1975. There appear to be some differences between the two documents regarding the number/location of springs and locations for Place of Use.

I can be reached at (208) 762.2816 if you have any questions.

Respectfully,

Shaun M. Maxey
Senior Water Resources Agent
Idaho Department of Water Resources, Northern Region
