Dear Mr. Marlow:

We are returning your Notice of Claim. You list the date of priority as December 15, 2011. That date is the date the water was first used by you or the former owner. Usually it is the day the well was completed or the date the water was first used in the home. We would appreciate it if you would track down the date and list it in item#2 and return the claim to our office.

Thank you,
