Re: 94-8605

Dear Mr. Reynolds:

We have reviewed your Notice of Claim. The date of priority is listed as January 1, 1980. When a new diversion of surface water is started after May 20, 1971, an appropriation permit had to be obtained first. The date of priority is the date the water was first used regardless of who owned the property. If the priority date of your claim is incorrect then you can correct the date and return them to our office. If the use of water was started after May 20, 1971, then an application for a permit to use the water needs to be filed.

On your claim you reference 94-4192. Karen Tomich filed a claim on this water right in August of this year.

Sincerely,

Kenneth Knoblock
Water Right Supervisor
