SUBJECT: Location of Point of Diversion and Place of Use, Claim No. 91-7650

Dear Mr. Mabbutt:

In regard to our phone conversation of May 28, 2014; enclosed is a copy of a topographical map which will help you determine the correct location of the diversion point and place of use for the domestic usage from the unnamed stream, as filed on the above claim.

The area within the black square is Section 11, T45N, R3E. The area outlined in blue is where the claimed point of diversion and place of use is located. It's in the NE1/4NW1/4 and it's shown on the tax lot data as being owned by Potlatch Forest Holdings. The red sections on the map should be your property described as the SW1/4NW1/4 and NW1/4SW1/4. The other area in red is the SE1/4NW1/4, and this may be where the diversion is located. I obtained this information from a claim originally filed by Margaret Pilliard, numbered 91-4107, for which I am enclosing a copy.

Please make any corrections to the claim form by lining out any incorrect information and writing in the correct information. Be sure to initial and date any changes that you make. It would be helpful if you notate these areas on the map and return it with the claim form as well.

We're beginning to wrap up the adjudication in your area and consequently, ask that you return this information by June 13, 2014. If you have any questions, please feel free to contact me. I can be reached at (208) 762-2802 or by email at [linda.werner@idwr.idaho.gov](mailto:linda.werner@idwr.idaho.gov).

Sincerely,

Linda A. Werner  
Water Resource Agent

Enclosure: Copy of Claim 91-7650 & 91-4107
