SUBJECT: Amended Notice of Claim 91-7650

Dear Mr. Mabbutt:

Thank you for your quick response to my letter. As a result of this information, I have completed an amended claim, which I have enclosed, and a map which represents the usage.

From the information that I've received from you, the original claim, and what I've obtained from county records; the source of water is an unnamed stream with pipeline to a cistern than to one home, where it's used for in-house and/or lawn and garden irrigation. The diversion point is located in the SE1/4NW1/4 of Section 11 and the home is in the SW1/4NW1/4 government lot 1, Section 11, T45N R03E. Please be aware that I only included the place of use as the SW1/4NW1/4 of Section 11 since that is where the home appears to be located. Your property also includes the NW1/4SW1/4 (lot 2) of Section 11, but unless there's a water usage there, it would not need to be included on the claim.

Please return the signed and dated amended claim to my attention as soon as possible. Be sure to contact me if you have questions, or if the above does not accurately represent this water usage.

Sincerely,

Linda A. Werner
Water Resource Agent
