RE: NIA CLAIM FILINGS

Mr. Russell Lowry and Charles Lowry,

Together you filed 12 Notices of claim to file a water right in the CSRBA project. I am seeking further clarification on the location of the springs and wells as well as location of the stock troughs and houses served with these water rights. I cannot confirm the locations accurately enough to prepare the final recommendation of your rights.

Would you use the enclosed aerial photo maps and mark these items where they are located? I sent a similar map to Russell on June 4th but did not receive a reply back. When you are finished plotting on the map will you return it to me so I can finish the recommendations for your claims?

Feel free to contact me on these issues via phone, email or mail.

Russell's claim numbers:
95-15235, 95-15236, 95-15237, 95-15239, 95-15240 & 95-15242.

Charles's claim numbers:
95-15243, 95-15244, 95-15245, 95-15246, 95-15247 & 95-15248.

Sincerely,
