Deputy Clerk

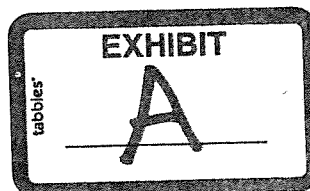

I am writing this letter to ask please for you to reconsideration.

For water right claim # 74-15911 the motion to file a late objection. We didn't know about the director's report. We did not get the mailing. It had been put in the wrong mail box by mistake by the mailman... No one lives at this property it had been turned back to the bank so there was no one to check the mail there. We have now gotten it but it's long after the Tele-conference and the dead line to file. I'm also asking you to please reconsider because I had a Bad phone connection I don't feel I was heard clearly and I didn't get to say everything that I need to. Your Honor please this is our only chance for water rights its states on the deed of trust we have to irrigate. And keep up the property. The deed says the property comes with waste water rights. Please you're Honor if we had known we would have sent in a timely response. We also have signed Document from Eagle Valley Ranch .This is where the waste water comes from. Your Honor please we will do whatever we need to we need this water for pasture, yard, garden and trees. I will accept and respect whatever you decide.

Thank You

Malinda Tracy

Dear Melinda Tracy,

I regret learning of the inconvenience you have experienced.

Your recent report of not receiving your mail in the correct mailbox in December 1013 in the correct mailbox of 3 Prairie Road, Salmon ID 83467, has been referred to this office. Your mail was incorrectly delivered to 19 Prairie Road, a vacant box. This error went by undiscovered by you or your carrier, causing you to miss an important court date.

Such a report is not good news to us. Our policy is to deliver the mail "as it is addressed," and your mail should be no exception. The mishandling of any mail is certainly unintentional, and we work very hard to eliminate such mistakes when brought to our attention.

We will act immediately to ensure that your mail, your carrier's performance, and service in general receive more care and attention. We must catch mistakes like the ones you brought to our attention before they happen.

We are truly disappointed that we are not providing you good service. We will make extended efforts to improve upon our performance, as we value your business and would like to keep you as a satisfied customer.

Please accept our sincere apology for any inconvenience this matter may have caused you.
