SUBJECT: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim Number 95-11486

Dear Mr. or Ms. Neeri:

It has come to our attention that the property appurtenant to the above numbered claim has a previous water right which was decreed in the Hayden Lake adjudication in 1969.

This decreed right is for the property originally owned by Merlin Black, tax #6517, and is essentially for the same usage claimed under 95-11486, but with a priority date of March 1, 1957 and diversion rate of 0.02 cubic feet per second (cfs). The claim you filed has a priority date of August 26, 2003 and a quantity of 0.04 cubic feet per second. (The average usage for a domestic use of ½ acre or less of lawn irrigation is 0.02 cfs.)

I have completed a claim based on that number (95-37) and if you would like to use that claim rather than 95-11486, please sign, date and return the claim form to my attention as soon as possible.

I've enclosed two copies of the claim, one for your records and one to return to us, as well as a copy of your taxlot data verifying that it's for tax number 6517, as well as a copy of the decree relevant to your property.

Please contact me if you have any questions or concerns. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent
