SUBJECT: Notice of Claim Filed in the Coeur D'Alene-Spokane River Basin Adjudication

Dear Mr. Wing:

I neglected to have you sign the Notice of Claim when you were in my office yesterday so I'm returning it and ask that you sign it under 15 and return to me as soon as possible.

Secondly, in regard to the commercial operation being claimed on the domestic claim form – I did some checking on this and it will be necessary for you to apply for a permit for the bakery business.

Two reasons, Idaho Code section 42-111(2) defines domestic as such: "domestic purposes or domestic uses shall not include water for multiple ownership subdivisions, mobile home parks, or commercial or business establishments, unless the use meets the diversion rate and volume limitations set forth in subsection (1)(b) of this section".
(1)(b) states "Any other uses, if the total use does not exceed a diversion rate of 0.04 cubic feet per second and a diversion volume of 2500 gallons per day."

Also, the priority date of 2007 does not reflect the date of first usage for the bakery (since it's a new business) only for the home and lawn irrigation.

Consequently, please return the signed claim form to my attention, and if you need assistance with the permit application, don't hesitate to contact us. Eric Davis is our contact for new appropriations and he can be reached at (208) 762-2800.

Sincerely,

Linda Werner
