Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Claim No. 91-7581

Dear Claimants:

Idaho Department of Water Resources (IDWR) has completed initial processing of your water right Adjudication Claim for Domestic use using Surface Water. Your Claim has been assigned Identification No. 91-7581.

Please contact me once you have reviewed the enclosed copy of your Claim and enclosed maps. It is unclear if you are claiming the St. Joe River as your source of water or some other form of surface water (spring, pond, creek, etc.) I also have a question about the priority date you claimed. You claimed April 25, 1941. The enclosed land patent printout for your property has a date of November 20, 1963.

I can be reached by phone at (208) 762.2816 if you have any questions.

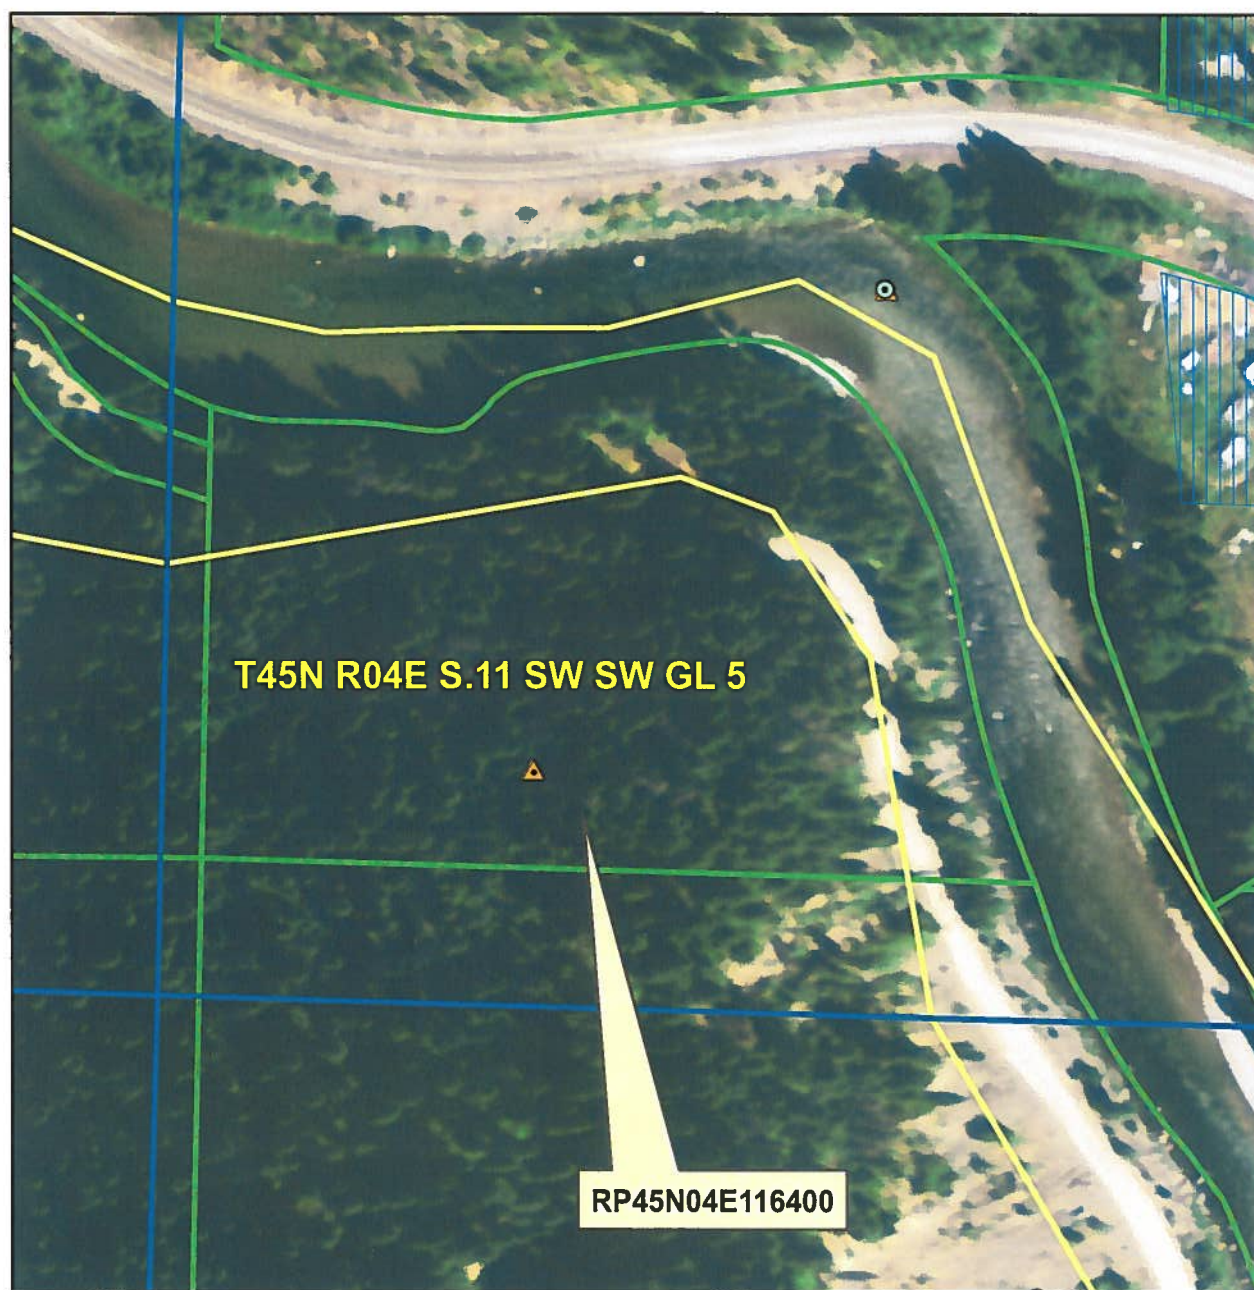

Respectfully,

Shaun M. Maxey
