SUBJECT: Coeur D'Alene-Spokane River Basin Adjudication Claim (CSRBA) No. 91-7581

RESPONSE DEADLINE
DATE: APRIL 28, 2014

Dear Mr. or Ms. Stanley:

Idaho Department of Water Resources (IDWR) has received and completed initial processing for your water right Adjudication Claim number 91-7581.

Please contact me concerning the claim. (This is our second request) We need to resolve several questions concerning the location, source and priority date for the usage claimed. It is unclear if you're claiming the St. Joe River as the source of water or some other form of surface water such as spring, pond or creek. In regard to the priority date; you claimed April 25, 1941, however the enclosed land patent printout for your property has a date of November 20, 1963.

Your help is required before IDWR can make a recommendation to the Court. My telephone number at the IDWR Northern Region Office is (208) 762-2802.

Sincerely,

Linda A. Werner
Water Resource Agent
