Subject: Notice of Claim to a Water Right Number 91-7581

Dear Mr. Stanley,

Based on our conversation of this morning, Wednesday, April 30, 2014; would you please email me a copy of the map showing where the diversion is located and where the water is being used? Also, please amend your claim by changing the priority date and the source and tributary (items 2 and 3) and send this along also. Because this is a legal document, any changes should be initialed and dated.

I would appreciate it you would return this as soon as possible. Our recommendations for this basin will be submitted to the Director within the next several months.

Thank you.
