Hi Mr. Stanley,

Attached is the "How You Will Receive Notices" form. I'll submit your request on the Docket sheet right away so you'll be receiving that within the next several months. Also, the Postal Service sent us a change of address notice so along with that And the address you added at the bottom of the last email; this will suffice for an address Change notification so we can ensure you receive any future mailings from us.

I do have the amended claim that you emailed on 5/13/14, along with the map. Thank you for sending it so promptly.

If I need any more information I will send you an email.
