Re: 94-9052

Enclosed is you receipt and the Notice of Claim. The date of priority needs to be listed in item 2. That is the date the water was first used from the well. The date is usually listed under the completed date on the well drilling report or when the house was built.

Item #6 should be completed by list domestic from 1/1 to 12/31 (for year around use). Most claimants list 0.04 cfs for the amount.

Please return the claim to our office.

Thank you,
