Re: 94-9074

Dear Mr. Patterson:

Imogene Sverdsten filed a Notice of Claim in the North Idaho Adjudication (copy enclosed). It appears that you now own the property and therefore would own the water right. To get this in your name you can file a change of ownership at no cost. We would need the enclosed form filed out and a copy of the warranty deed. We do question the date of priority, which is listed as October 3, 2010, which is the day she signed the claim. That date is the date the water was first used in the household.

Sincerely,
