1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Wrong priority date, No usage from tributary ^{Hutton Ck}
for stock

2. Describe the changes you wish to make in the proposed recommendation:

Add usage from Hutton Ck
Change date from 11/55 to 1/1/1924

3. Give a brief explanation as to why you disagree with these portions:

The house was built in 1924, according to Auditor records, so water usage & right would start then. Hutton Ck use also began then

☐ I AGREE with this proposed recommendation: no changes need to be made.
