In Re SRBA

Case No. 39576

Subcase No. 63-5271

**SECOND AFFIDAVIT OF RICHARD
BICANDI**

STATE OF IDAHO)
) ss.
County of Ada)

Richard Bicandi, having been duly sworn upon oath, deposes and states as follows:

1. I am the Claimant to Water Right No. 63-5271. This right involves the diversion of 0.74 cfs from Mason Creek and slough a tributary to the Boise River. The diversion is accomplished by a headgate from the creek/slough into a lateral ditch. From there, the water is used to irrigate my property.

2. I have lived on this property since 1970 when we bought this property. The previous owners had established the diversion structure and we proceeded to use it. The 1966 date came from the investigation by Sherl Chapman. I am personally familiar that water has been diverted at this location as claimed in the initial claim to Water Right No. 63-5271.
