Re: Coeur d'Alene-Spokane River Basin Adjudication Claim (CSRBA) Amended
Claim No. 94- 8386

Dear Claimant:

Idaho Department of Water Resources (IDWR) is preparing a recommendation to the Court on your Internet CSRBA Claim for a developed Spring to serve one home and provide Stockwater on Shoshone County parcel RP49N03E268600. We have not received a signed Amended Claim that was sent to you for signature in 2013.

Please review, date, sign and return the enclosed Amended Claim 94-8386 showing the changes you made in your hand corrected version. Please attach a map showing the labeled location of the developed spring and the correct home served by the spring.

Please contact me if you have questions or if you wish to claim Domestic use for the well (Ground Water) referred to in your hand corrected version. My telephone number at the IDWR Northern Region Office is (208) 762.2816.

Respectfully,

Shaun M. Maxey
