RE: NIA CLAIM 95-16395

Dear Mr. Powers,

According to records with the County of Benewah, You now own the parcel number 46N04W11-7800A. If this is correct and you are the new owner, it is necessary for you to complete the enclosed Change of Ownership form. This will allow me to list you as owner of the claim filed by Calo. The Calo's previously owned this land and filed a Notice of claim to a water right in the CSRBA project. I am seeking further clarification on the location of the well associated with this water right. Your parcel straddles the line between two separate quarter-quarters: NESE & NWSE in Section 11. I cannot confirm the location accurately enough to prepare the final recommendation of your right.

Would you use the enclosed aerial photo maps and mark the well where it is located? When you are finished plotting on the map will you return it to me so I can finish the recommendations for your claims? **Your claim will be marked as Disallowed until this information is provided.**

Please also return the Change of Ownership form when completed.

Feel free to contact me on these issues via phone, email or mail.

Sincerely,

STEVE CLELLAND

Sr. Water Resource Agent
