) ORDER OF AMENDED PARTIAL
) DECREE
)

Partial Decrees were previously issued for the above-captioned water rights. On May 29, 2014, the Department filed *Requests for Correction of Error*, requesting that this Court correct an error in the priority date element of the *Partial Decrees*. The *Requests* asserted that various subordinate remarks, the language of which are set forth in the *Requests*, should be added to the *Partial Decrees* under the priority date element to more accurately reflect how the rights were previously decreed in what is commonly referred to as the 1929 *Bryan Decree*. On May 30, 2014, this Court entered *Notices of Court's Intent to Issue Amended Partial Decrees* in the subcases. On July 11, 2014, the Boise Project Board of Control filed *Objections* to the *Notices of Court's Intent* in all of the subcases. Thereafter, the Boise Project Board of Control withdrew its *Objections*, and the parties filed *Stipulated Amended Requests for Correction of Error* in the above-captioned subcases, wherein they agreed to the corrections to be made the *Partial Decrees*. The Court will therefore issue amended *Partial Decree* for the above-captioned water right claims consistent with the *Stipulations*.

THEREFORE, IT IS ORDERED that the above-captioned water rights are hereby decreed as set forth in the attached *Amended Partial Decrees Pursuant to I.R.C.P. 54(b)*. The previously issued *Partial Decrees* are replaced and superseded thereby.

DATED: August 22, 2014.
