Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right

Dear Mr. or Ms. Martin:

I'm writing in regard to the Notice of Claim we received on July 30, 2014 for your well water usage. I'm returning this claim as there are several items which need to be clarified.

Under items four and nine which list the legal description of the point of diversion and place of use; the claim shows the legal as T46N, R2W, *Section 12, SW1/4SW1/4*; however, taxlot data shows that this property is owned by Peter Nemeth. Did you mean to list the legal description as the *SW1/4SW1/4, Section 14, T46N, R2W*? Also, the claim has not been signed.

I'm enclosing a map of the property, for your review. If the above is incorrect, please correct the legal description, sign and date the claim, and return to my attention by September 3, 2014. Would you also show on the map the location of the well and where the water is used and return that as well? Your prompt response is appreciated as we will be submitting all claims in your area in the Director's Report very shortly.

Sincerely,

Linda A. Werner
Water Resource Agent
